| My Weekly Reflection     |  |  |
|--------------------------|--|--|
| This week I learned      |  |  |
| I liked learning because |  |  |
| I can really well.       |  |  |
| I need help with         |  |  |
| My goal for next week is |  |  |
| Teacher comments:        |  |  |

| $\mathbf{M}$                   | li reflexión semanal |        |
| Esta semana aprendí            |                      |        |
|                                |                      |        |
| Me gustó aprender po           | rque                 |        |
|                                |                      |        |
|                                |                      |        |
| Puedo muy bien.                |                      |        |
|                                |                      |        |
| Necesito ayuda con             |                      |        |
|                                |                      |        |
|                                |                      |        |
| Mi objetivo para la próxima se | mana es              |        |
|                                |                      |        |
| Comentarios del maestro:       |                      |        |
